REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,788,178, granted August 4, 1998, and for which a reissue patent is sought on the invention entitled Guided Bullet

the specification of which

☐ is attached hereto.

☒ was filed on February 2, 2000 as reissue application number 09 /436,387
and was amended on _____
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described as follows:

Independant claim 1 includes the following phrases "laser beam detecting means"; "logic circuit means"; "steering control means"; and "power supply means", which, in light of recent Federal Circuit decisions construing 35 U.S.C. § 112 ¶ 6, Applicant feels overlimits the scope of the claim.
